### MULTI-FACETED VOCALIST DEB BOWMAN SALUTES DECADES OF GREAT SONGWRITERS

In the course of her brilliant and varied career as an actress and vocalist, **DEB BOWMAN** has embraced several diverse styles, including jazz, pop, gospel, Broadway and Latin music. She brings elements of all of these styles into her new Mama Bama Records release, **REFLECTION**.

Bowman worked closely with her musical director, pianist Dean Fransen, to create atmospheric settings which enhanced the song lyrics. They felt free to approach the repertoire with arrangements that are quite different than the status quo.

After a long sojourn in New York City, Bowman relocated to Atlanta, where she performs in a variety of concert and theater settings and has appeared in movies and on television. Her musical appearances range from performances with the Atlanta Pops Orchestra to intimate cabaret shows. Bowman's discography includes blues, standards and original songs.
